

Professional Development Plus (PD+) Training

Deliver innovative eLearning to all district staff.

Break through the barriers to quality professional development with PD+ training. Unlock the full potential of your PowerSchool solutions with best-in-class, professional training offered in convenient, flexible, and engaging formats.

Time to Learn

Users can choose to learn when it fits into their busy schedules, available online 24/7.

Personalized Learning

Users can follow role-based learning paths to find a collection of PD+ training recommended for their job role.

Engaging Formats

Hands-on instructional activities, rich conceptual graphics, and formative assessments for immediate feedback.

Cost Effective

For a low annual fee, PD+ training offers all users in your district unlimited access to our high-quality resources.

Ongoing Training

The perfect solution for addressing ongoing training needs for new employees or existing employees who need a refresher.

PD+ offers **multiple subscriptions**, designed to fit your needs and to keep costs low:

- **PD+ for Student Information**
- **PD+ for Instruction and Student Success**
- **PD+ for People and Resource Management**
- **PD+ for PowerSchool Essentials**
- **PD+ for Proven Practices**

Customer Education Campus is a dedicated training platform for subscribers that really puts the PLUS in PD+! All users in your district will have unlimited access to our core offerings of self-paced, interactive courses and video tutorials:

Self-Paced Courses

 60+ min

- Interactive courses include demonstrations, hands-on activities, and assessments
- Leaders can assign courses to staff and use built-in reports to track completed training

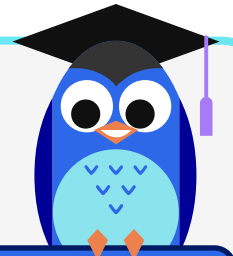

Video Tutorials

 2-10 min

- Video tutorials provide quick answers on how to perform a variety of tasks
- Designed for time-pressed users with common PowerSchool questions

In addition, users on Customer Education Campus will have the opportunity to follow role-based learning paths and take quick mini lessons:

Learning Paths

- Collections of PD+ courses and videos recommended for your job role in your school or district
- Designed to ensure that you get the solutions-focused training you need
- Defined sequence of courses and videos takes the guesswork out of building your training playlist

Mini Lessons

 1-3 min

- Mini lessons provide step-by-step instructions on how to complete a single task or tips and tricks
- Learners can master a new skill in minutes

Users will also have access to supplemental resources and additional features:

Seasonal Calendars

Use these role- and product-based infographics to find the right PD+ training for each school year cycle or season.

Achievement Badges

Celebrate your completed PD+ training and stand out from the crowd by earning achievement badges.
